

MARINE RESERVES	SNAPPER GROUPER	SPINY LOBSTER	HABITAT
1. Spawning areas	1. Fisheries sustainability	1. Urgency & Degree of threat	1. Scientific basis
2. Fisheries sustainability	2. Spawning areas	2. Fisheries sustainability	2. Urgency & Degree of threat
3. Research needs	3. Location	3. Socio-economic impacts	3. Spawning areas
4. Biodiversity & Habitat	Timeframe to evaluate results	4. Potential for enhancement	Costs to implement & maintain
5. Size of area	4. Size of area	5. Legal mandates	4. Fisheries sustainability
6. Scientific basis	5. Enforcement & Compliance	Biodiversity & Habitat	5. Location
7. Location	6. Safety	6. Spawning areas	6. Biodiversity & Habitat
8. Allowable activities	7. Cost to implement & maintain	7. Research needs	7. Enforcement & Compliance
9. Timeframe to evaluate results	8. Legal mandates	8. Scientific basis	8. Measurable goals
10. Measurable goals	9. Timing & Implementation	9. Location	9. Life cycles
Life cycles	10. Allowable activities	10. Cost to implement & maintain	Socio-economic impacts
Oceanographic setting	11. Socio-economic impacts	11. Timeframe to evaluate results	10. Size of impacts
11. Potential for enhancement	12. Regional considerations	12. Education	11. Potential for enhance ment
12. Monitoring	13. Urgency & Degree of threat	Life cycles	12. Social acceptance
13. Legal mandates	14. Monitoring	Enforcement & Compliance	13. Legal mandates
14. Urgency & Degree of threat	15. Biodiversity & Habitat	13. Monitoring	14. Regional considerations
15. Education	16. Measurable goals	14. Regional considerations	Public interest in any site
Safety	17. Geography	15. Safety	15. Research needs
16. Regional considerations	Oceanographic setting	Oceanographic setting	16. Timeframe to evaluate results
17. Socio-economic impacts	18. Scientific basis	16. Social acceptance	Safety
18. Costs to implement & maintain	19. Potential for enhancement	Public input in any site	17. Timing for implementation
19. Public input in any site	20. Life cycles	17. Geography	18. Allowable activities
20. Social acceptance	21. Education	Measurable goals	Education
Enforcement & Compliance	Social Acceptance	18. Allowable activities	19. Oceanographic setting
21. Timing for implementation		19. Size of area	20. Geography
		20. Timing for implementation
